

# BASKETBALL

My favorite sport is basketball. I like basketball because it needs a lot of energy.

I like throwing the ball and trying to get it in the hoop.

When playing Basketball you have to try to take the ball and run while bouncing to the other team's side and try to shoot it in their hoop.

My favorite teams are the Los Angeles Lakers and the Chicago Bulls.

I like learning new tricks and I like how I get to exercise while having fun.
